## Galaxy A25 5G

5G speeds vary and require optimal network and connection (factors include frequency, bandwidth, congestion); see carrier for availability.

## Introducing Galaxy A25 5G

Capture business events in high quality, videoconference on a superfluid display and work virtually lag-free 5G<sup>2,3</sup> on Galaxy A25 5G. Packed with all the needed essentials, this phone makes awesome features easily available to you and your team. Take product photography from any angle with a triple-lens camera, and edit projects on a clear, bright screen. Speed up your workflow with 5G and a powerful processor that keeps you productive. With all-new stereo speakers, stay fully tuned in to whatever you're listening to – whether that's podcasts by thought leaders, training materials or client calls. Plus, worry less as Knox Security<sup>7</sup> helps protect your company's data from the chip up. Getting everything your business needs in a phone is now easier than ever with Galaxy A25 5G.

### Capture scroll-stopping content

Dazzling product details, social campaigns that convert, detailed customer demos – do them all justice with the high-resolution, triple-lens camera of Galaxy A25 5G.

### Store more and worry less

Store your training materials, files and more with the large internal and expandable storage<sup>3,4</sup> of Galaxy A25 5G.

### Efficient. Safe. Enterprise-ready.

Easily enroll, configure and manage hundreds of devices and more with access to Knox Suite<sup>7</sup> on your Galaxy A Series phone.

### A bright screen for every bright idea

Keep notes, edit docs and research online on a superfluid display that makes content clear and crisp.

### Conference-worthy sound right from your phone

Experience sensational sound at your fingertips for total immersion in important client conversations, logistic details and more.

### Keeping your data safe and secure

With Knox defense-grade protection built right in, we've got your data security covered.
